Prep Cares expands outreach

North Pointe's Community Outreach Program, Prep Cares, is expanding for the 2008-2009 school year and will introduce a new format that will feature four major projects. Each project will highlight a specific aspect of the Prep Care's vision: to Serve, Share, Shape, and Support.

Serving our Veterans

Beginning with a 9/11 Memorial Service, Prep Cares Remembering Our Heroes Program will focus on **Serving** America's Veterans and their families. The eight week project, which will include collecting supplies for those currently serving overseas and assisting Veterans here at home, will conclude with a Veterans Day Ceremony on November 10th.

Sharing our Resources

During the Holiday Season, Prep Cares Holiday Sharing Program will focus on **Sharing** with those in our community who are less fortunate. The three week project, which will include collecting food and helping at a food bank, will run from December 1st through the 19th.

Shaping our Future

From January 12th through March 11th, Prep Cares Elementary Mentoring Program will focus on **Shaping** students academically as they prepare for AIMS testing.

Supporting our Hurting

During the Spring, Prep Cares Cause We Care Program will focus on **Supporting** health agencies as they assist those in our community afflicted with illness and disease. The five week project will begin April 6th and run through May 8th.

Fall Sports Tryouts

The official first day of Fall sports is Monday, August 4th with football practice and volleyball tryouts. All athletes must have current AIA forms on file in the Athletic Office prior to any participation. (see preptv.org/athletics for forms).
