Prep Cares touches lives

North Pointe's community outreach program, Prep Cares, was a huge success during the first semester as students, faculty, parents and alumni honored our Veterans and assisted in providing Christmas presents and food to those in need.

Remembering Our Heroes

The **Remembering Our Heroes** project began with the cleaning of Veteran's headstones at the National Memorial Cemetery. It continued with The Prep's STUGO hosting an afternoon of ice skating for children who have a parent deployed from Luke Air Force Base. Families received a goody bag which included a Prep T-shirt ('My Family Protects Our Freedom'), were treated to a pizza lunch and then enjoyed skating. The six-week project ended with a very special ceremony in the Nest honoring Veterans which was followed the next day with the Prep's participation in Phoenix's Veteran's Day Parade.

preptv adds new staff

North Pointe has hired two new staff members to run the school's on campus TV Station and internet website.

Sarah Atack is **preptv's** Studio Director. She will supervise **preptv's** live morning show broadcast as well as all other studio operations.

Eve Craig is **preptv's** Lead Photographer. She will oversee all image content posted on **preptv.org**.

Holiday Sharing

Prep families were once again amazing with their generosity and support of the Prep's **Holiday Sharing** project as STUGO was able to provide 150 stockings full of toys, books, dvd's and lots of other gifts to children at the West Valley Child Crisis Center. Students and faculty also assisted the St. Mary's Food Bank in packaging food containers for families in need.

Complete coverage, including thousands of Prep Cares photos, is available at preptv.org/prepcares.
